Greetings!

Club leaders at Perfect North Slopes take great pride in helping us share our passion for a family friendly and healthy wintertime activity. We appreciate every ounce of energy you put in to building a strong club and look forward to creating a lasting relationship with all of you. Without your efforts, none of this would be possible!

Listed below you will find helpful information to get your ski and board club started. We are always happy to help in any way that we can. Feel free to let us know if you ever need any assistance or have any questions.

- You will need at least 15 members to qualify for discounted club pricing. Clubs enjoy a 30% savings off of the regular price of a season pass.
- The discounted club pass pricing will expire on November 3rd, 2024. After this date, the discount will be 20% off regular pass prices until December 1st, 2024. After December 1st, pass prices will drop to 10% off regular pass prices.
- In order for a customer to be included on your club roster, they will need to purchase a season pass through the link that we will provide to you. Share this link far and wide to help build your club numbers and earn rewards.
- Customers that have already purchased their pass for the 2024-2025 Season are not eligible to be counted as one of your 15 members.

All season pass options are available for purchase to club members.

Exclusive to our clubs is the Club 4 and 5 Visit Pass. This card is a 4-visit or 5-visit pass valid once a week on your pre-selected day. Choose a day (Monday-Thursday) that best suits your membership. The option for a Friday 4-visit or 5-visit pass is by request only.

Thank you all so much and have a great season!

2024-2025 CLUB LESSON OPTIONS

Skiers and Riders have a few options for engaging in snow sports this season. The Perfect North Slopes Snow Sports School wants to create opportunities for every Club Member to enhance their skills and find unique ways to enjoy their ski and board experience even more

Free Beginner Lesson

All Club passes will include a Beginner Ski or Ride Lesson this season. This lesson will give them the opportunity to learn the basics involved in skiing and snowboarding. The lesson will be available for your first visit to the slopes at the top of every hour, from 4:00 PM to 8:00 PM. The lesson will last 50 minutes.

Club members will go directly to the Lesson Meeting Area located on the snow right outside the West Lodge. The Head Instructor will direct them from there.

If a lesson hour fills up, the Head Instructor may direct them to return at the top of the next hour, and in the meantime encourage them to visit the Discover Skiing and Snowboarding Area.

- Cost: FREE!
- Ages 9+
- Lesson Times: 5:00, 6:00, 7:00, 8:00 PM
- Location: Beginner Area on the snow near the West Lodge

3-Week Program

Club Members have the opportunity to purchase a 3-Week Skiing & Riding Lesson Program.

This program is designed to build off the free beginner lesson and help skiers and riders become more confident and have more fun on the snow. The program will focus on skills needed to tackle beginner and intermediate terrain.

Participants will select a time for the lesson (6:00, 7:00 or 8:00 PM) and will receive 50-minute lessons that fall on the preselected weekday for their club, for three consecutive weeks.

Individuals will be grouped with skiers or snowboarders of the same or similar ability level. Instructors will work with the groups to improve their skills and increase their fun factor on the snow.

For the best learning experience, we strongly recommend that those registering the 3-Week Lesson Program work on one discipline (skiing or snowboarding) for all three weeks of lessons.

At the end of the three weeks, Club members will have remaining visits on their Club Pass to enjoy the snow with their friends with a deeper skill set and more confidence on varying terrain!

- Cost: \$45 for 3 Consecutive Weeks
- Ages 9+
- Lesson Times: 6:00, 7:00, 8:00 PM

- Location: Beginner Area on the snow near the West Lodge
- Start Date: Week of January 13, 2025
- End Date: Week of January 27, 2025
- Make Up Date: Week of February 3, 2025*

**If an entire club (not individuals) misses their selected lesson day due to bussing, weather, school functions, etc., we will work with that club to accommodate their make-up lessons.*

Club Race

Club Race is for Club members to engage in healthy competition with their friends and other Clubs. The Club Race Program is a 4-week race program that includes race coaching, running gates using NASTAR timing and a culminating 4th week competition that pits Clubs against each other no matter what night you race. A Giant Slalom race course will be set up off the Blue Chair to allow intermediate skiers and boarders to run gates and receive race coaching.

The Club Race venue will run from 6:00 PM – 9:00 PM Monday through Friday. At the top of each hour, Ski and Ride School Race Coaches will gather groups up and teach fundamentals that apply not only to racing, but to more advanced skiing and riding. Participants can engage in as much or as little coaching and gate-running throughout the event time.

This is a great opportunity for those wanting to advance their skills, have fun in the gates and determine who the fastest is in their Club in a safe, learning environment. Helmets are strongly recommended for all programs, and especially for the Club Race Program.

- Cost: \$80 for 4 Weeks (Includes NASTAR season pass, timed racing, and coaching)
- Ages 9+
- Lesson Times: Race Coaching available at 6:00, 7:00, 8:00 PM
- Location: Beginner Area – Race Course on Blue Chair
- Start Date: Week of January 5, 2025
- End Date: Week of January 27, 2025
- Make Up Date: Week of February 3, 2025*

**If an entire club (not individuals) misses their selected lesson day due to bussing, weather, school functions, etc., we will work with that club to accommodate their make-up lessons.*

CLUB SPONSOR REWARD PROGRAM

Perfect North Slopes' Club Sponsor Reward Program is based on the **minimum of 15 club members** registered through your club by December 1st, 2024. If someone was in your club previously but has purchased their pass at our earlier pass price sale, they will not be counted towards your club membership total.

Points:

As a club sponsor, you will receive 100 points for reaching your minimum of 15 club members registered through your club. You will also receive 10 points per person. Example: 15 club members = 100 points, plus 10 points per person = 150. Total points = 250. If you have 50 club members, you would receive 100 points and 500 points for a total of 600 points.

These points can be used toward the purchase of passes. Each point will represent \$1.00 towards the pass price. You can also purchase a debit card. It takes 4 points per \$1.00 for debit cards.

The equipment rental add on is complimentary if needed for club sponsors.

PNS Debit:

For every NEW club member (not a previous pass holder) you will receive \$5 per person on a Perfect North Debit Card.

Receiving your Rewards:

I can be contacted at 812-537-3754 ext. 1291 after the December 1st deadline to redeem your points for passes and debit card. Please do not purchase your pass or go online to redeem, our team will handle this for you.
