

## Perfect North Slopes Children's Program Registration Info

To help complete the registration process for lesson programs at Perfect North Slopes, a profile for each child needs to be created. Follow the information below to create a profile for your child.

### JUST THE FACTS

- [Click here](#), then choose **Profile Manager** to make sure all information for your children is correct
- In your Profile Manager you will choose your child's *current* skill level.
  - Take your best guess, but don't worry too much! Instructors will make an assessment the first day of class.
- Call us at 812-537-3754 if you need help with an incomplete profile, updating or you need to add a child to your profile.

### SKILL LEVELS

At Perfect North Slopes, we want everyone to enjoy the children's lesson programs experience safely. In order to achieve this, we have provided a guide to evaluate your skiing or snowboarding ability. When you sign up for the programs it is important to know what your child's skill level is. This will ensure that you are placed in the correct lesson level. Here are the levels Perfect North Slopes uses:

#### **Snowboarder:**

- **Beginner** - A first time snowboarder and/or need assistance to stop and or turn.
- **Novice** - Able to stop on heel or toe side and make turns on your own without assistance.
- **Intermediate** - Able to consistently link turns and maintain speed under control on green and easy blue slopes.
- **Advanced** - Able to consistently link short, medium and long radius turns with rhythm and flow on all blue and groomed black terrain using proper technique.

#### **Skier:**

- **Beginner** - A first time skier and/or need assistance to stop and turn.
- **Novice** - Able to stop and make slow controlled turns on your own without assistance.
- **Intermediate** - Able to consistently link round turns and maintain speed under control on green and easy blue slopes.
- **Advanced** - Able to consistently link short, medium and long radius turns with rhythm and flow on all blue and groomed black terrain using proper technique.

## **ALL THE DETAILS**
